St Jude Volleyball Families:

Hello and welcome to another season of exciting youth volleyball at Saint Jude the Apostle Parish!

Please find the attached concessions/ admissions volunteer shift schedule for our 2016 Volleyball Season. As a reminder, all concessions/ admissions volunteers must be an adult member of our parish and/or the parent or legal guardian of a child participating in our volleyball program.

PLEASE NOTE: If you cannot work your assigned shift, please make the necessary arrangements to switch or trade your shift with another family on your player's team.

Additionally, the Archdiocese has asked each school to appoint a Gym Supervisor as the "go to" person for all referees, coaches and guests during all scheduled games this year. They will act as the on-site manager to oversee all activity in the gym.

The gym supervisor's responsibilities include:

- Introduction to all game official(s) upon arrival to help address any issues or questions.
- Help work concessions during peak times (especially between games).
- Monitor the vestibule, lobby, and the gym to ensure our guests are provided a clean, safe, and enjoyable experience at the Activity Center.

A detailed posting of Gym Supervisor duties has been posted in the concessions stand, along with the same for admissions and concessions. We recommend that all volunteers rotate between concessions, admissions, and gym supervisor in equal time segments in order to give everyone the opportunity to work each role.

We thank you for your time and talents, and hope that you find the experience to be great opportunity to chat with old friends, make some new friends, and contribute to our program.

Go Bobcats!
