

# Honoring Our Heroes

## RECOGNIZING THOSE FROM THE SAINT JUDE COMMUNITY WHO SERVE OR HAVE SERVED

**Our Veterans      Police Officers      Firefighters      Those Currently Serving      First Responders**

Memorial Day 2017 will soon be here. Since we won't be in school that day, we at Saint Jude School would like to recognize at a special prayer service all in the Saint Jude community who serve or have served our country in the military and/or our communities as police officers, firefighters, or first responders. We are hoping to receive the names of Saint Jude parishioners as well as the names of parents, grandparents, uncles, aunts, cousins, other family and friends of our community who have distinguished themselves through their selfless commitment to our country and communities. (Names submitted in previous years will automatically be included.)

We wish to honor all who have helped to protect our freedom and our communities, whether dating back to World War II veterans to those serving today. They all need to know how much they are appreciated for the many sacrifices which they have made and continue to make. We will list the names we receive in our May 24th newsletter and include them in a special prayer remembrance on Thursday, May 25th, at 9:15 AM in the new gym of the Jeannette Fox McNally/Dorothy Stanton Jones Activity Center. Students, parents, veterans and all who serve the public are invited to attend this brief service of patriotic gratitude.

*If you have a loved one who served in the military and is deceased, and would like his/her name included in the tribute and prayers, please include that information below as well. (Names submitted in previous years will automatically be included.)*
