Lenten Service Project
Attention:

Diapers Needed

For our Lenten Service project this year, the Religious Education Program is working with the Christ Child Society.

We are asking you to bring to my office disposable diapers (infant size). I would love to have each family donate one package of diapers.

We will be collecting these items during the months of February and March. You have always been very generous with our service projects. Last year's drive was a tremendous success. Please continue this generosity once again for the Christ Child Society.
