

## Religious Education Bulletin

There are many ways that I will be communicating with you throughout the year. One means will be via a monthly calendar/bulletin beginning with this month. This newsletter will contain information that is applicable to both programs and some that is just for the elementary or high school program. . Hopefully, this will keep you informed of upcoming events and serve as a means of communicating ideas, concerns, and the like.

**Zoom update:** I am so proud of the cooperation we have received from the parents and students with the year starting out virtual. This is new for all of us on our end. But I am especially grateful to our catechists. This is not what they signed up for when they volunteered to perform this very important ministry. Yet, they have grabbed ahold of it without batting an eye. With a few minor glitches not even worth mentioning, the first two classes went exceptionally well.

**High school students:** Please remember to sign on for the zoom class no sooner than five minutes before class begins which is 10:00am on Sunday. I will not be admitting anyone after 10:05a.m. If you're late, it will be noted as one of your allowed absences.

### **Classes begin for:**

K4/K5 – October 5

9<sup>th</sup> and 10<sup>th</sup> grade – October 4<sup>th</sup>

11<sup>th</sup> grade – October 11<sup>th</sup>

**Second Grade Parents** have been mailed a letter regarding the meeting for the Sacrament of Reconciliation. The meeting is a Zoom meeting and will not be videotaped. Please make sure this date is on your calendar for those who have to attend. Details are in the letter.

**Financial Statements:** Letters to those families who have a balance will be sent out in October. Full payment is due by the end of October. Your prompt response to your statement is greatly appreciated.

Peace to you,  
Gary Heun
