

**TAKE STOCK in the YOUTH of SAINT JUDE
2013**

Saint Jude is sponsoring another Youth Mission Trip this summer. 30 high school students and 12 chaperones from our parish will travel to Kentucky, June 9 -15, 2013. A significant part of the time will be spent doing home repairs, painting, plumbing and interacting with the families of the community. This community struggles with extreme poverty and unemployment. Repairs take a back seat to putting food on the table and for providing medicine for their children.

While the cost of this trip is \$310.00 per person, each participant has already invested \$75.00 themselves. We would like to offset the remaining cost for everyone by doing a simple fundraiser.

We would like to involve the whole community in this trip by asking you to embrace our youth and show them that you support them in their efforts to make life a little better for this Kentucky community.
